Elaboración: Variedad Autóctona, de la que solo existen unas 90ha en todo el mundo y de la que aproximadamente nosotros tenemos unas 7ha.

Vendimia mecanizada de madrugada, seguida de una maceración a baja temperatura en torno a 8°C, posterior desfangado estático por frío y fermentación alcohólica a temperatura controlada.

Botella modelo Borgoña.

Nota de Cata: Vino luminoso de color amarillo pajizo con tonalidades verdosas. Presenta aromas varietales, frutas tropicales, fruta blanca madura y recuerdos herbáceos (hinojo). En boca es seco, carnoso, persistente, con una acidez equilibrada y un agradable amargor final.

750 ml

Winemaking: Autochthonous variety, of which there are only about 90ha in the whole world and of which we have approximately 7ha.

Harvest is mechanized in the early morning, followed by maceration at a low temperature of around 8°C, followed by static cold settling and alcoholic fermentation at a controlled temperature.

Burgundy model bottle.

Tasting notes: Luminous wine of straw yellow color with greenish hues. It presents varietal aromas, tropical fruits, ripe white fruit and herbal hints (fennel). The palate is dry, fleshy, persistent, with balanced acidity and a pleasant bitter finish.
